VISITOR PARKING:

Visitors may park in the parking garage that is located on Broadway between 12th and 13th Avenue. The entrance to the garage is on Broadway, just past 13th Avenue. While there is no “Public Parking” at this garage, there is parking available for visitors of our building (1290 Broadway).

Visitor parking is available on the first level in parking spaces 3 to 14 only. You must park in the parking spaces specifically labeled “1290 Broadway visitor parking.”

When you enter the garage, press the intercom button, tell building security you are visiting 1290 Broadway, they will open the gate to the garage, please take the ticket from the dispenser, and proceed to an open parking space numbered 3 to 14 and marked “**1290 Broadway visitor parking**”. Please do not park in any other reserved spots or you may be ticketed or towed. You will need to sign in at the security desk in the lobby of our building. When you leave our office, take the parking ticket from the garage to the security desk and they will give you a parking validation ticket.

Please note there are also several parking lots and metered parking spaces located within walking distance of our office.

When you arrive at the parking garage you will notice the signs which state “No Public Parking”. This is not a public garage but is a parking garage for our building, 1290 Broadway.

Proceed to the garage entrance.

Press the intercom button shown above. Building security will grant you access to the garage. Take the ticket dispensed from the machine shown in the photograph above. Please remember you **must** park in assigned 1290 Broadway visitor spaces (located on the first level of the garage spaces 3 to 14) or you may be ticketed or towed. **Please note the elevator in the parking garage does NOT connect to our building. You will need to exit the garage and walk to the entrance of the building on 13th Avenue. You will need to sign in with the security desk located in the lobby of our building. Then when you leave security will validate your parking.**
