Catastrophic Personal Injury | Motor Vehicle Accidents | Premises & Products Liability | Wrongful Death

Bob Wagner has consistently been recognized by his peers as a leading plaintiff's attorney for his tireless work on behalf of personal injury clients. Bob's specialty is in the explanation of serious and catastrophic injuries through videotape settlement brochures, which take his clients' cases directly to decision makers so that he can help find a fast, effective solution for them. Bob was an early user of technology to tell his clients' stories, and his work using video settlement brochures has helped secure millions of dollars in settlements for clients.

Bob has developed a reputation as a fair, passionate advocate who excels at helping his clients, their family members, and physicians share their stories in the courtroom and in settlement conferences. His experience includes work on a full range of personal injury-type cases including traumatic brain injury and spinal cord cases as well as wrongful death and products liability cases.

Bob is a founding member of the firm, who has been practicing law for more than four decades. Bob's work on behalf of his clients has earned him a spot on a number of attorney ranking lists, including Best Lawyers and Martindale-Hubbell.
